

## **Ashill Primary School**

### **PE and Sports Grant**

**2015 - 2016**

The government is continuing to provide additional funding to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - has been allocated to primary school head teachers.

This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

### **Purpose of funding**

Schools must spend the additional funding on improving their provision of PE and sport, but schools have been given the freedom to choose how they do this.

Ashill Primary School has decided to use the money to ensure:

- All pupils receive 2 hours of high quality PE each week
- Increased opportunities for all pupils to participate in extra-curricular activities and competitive activities
- PE activities are adequately resourced
- Participation levels are maintained
- Progress of all pupils are tracked
- Pupils are aware of the importance of a healthy lifestyle

Ashill School has always promoted the importance of a healthy life-style. Children are encouraged to participate in the wide range of extra-curricular activities and are keen to represent the school in competitive events.

### **Clubs 2014-2015**

**KS2 - football / tag-rugby /running / hockey /multi-skills /gardening / cricket/ rounders /Y6 dance**

**KS1 - Dance**

Competitive Chard Area Primary Schools - Each term 2 competitive events are organised. Wherever possible, Ashill will enter teams.

Quad-kids Teams of 4 (2 boys and 2 girls) Years 4/5/6

### Willow Schools Cooperative Trust

Some additional activities have been arranged with the Willow Schools Trust.

6a-side-cricket

Superteams

### Outdoor Activities/Residential:

All pupils in KS2 have the opportunity to attend a 3 day residential at Kilve Court. Suitable programmes for Years 3/4 and Years 5/6 are organised which provide opportunities to learn new skills and experience new physical activities.

### Healthy Lifestyles:

Children develop a secure understanding of how to keep healthy through their diet and exercise. This is taught through the curriculum, particularly science, PE and PSHE.

A wide range of issues are raised and covered sensitively, including dealing with pressure, learning to cope with both success and failure and the importance of supporting, and being supported, by others. The children also have opportunities to work and play as a team.

This holistic approach to well-being is given high priority at all times.

Funding for 2015-2016: £8204
